

The Pacific and Asian Affairs Council presents

Global Vision Summit 2012: Water

Saturday, March 3, 2012
9:00 am — 4:30 pm

Hawaii Tokai International College
2241 Kapiolani Boulevard

Water is one of the most important resources necessary for life. Living in a place where water is plentiful and clean, we may forget that for people in other places, finding water is a daily struggle. Learn about some of the challenges surrounding access to adequate and clean water in communities in the South Pacific and Asia and explore solutions with your peers. You will have the chance to step into the shoes of members of these communities and advocate for water projects that will improve their lives.

What are some the challenges we face in Hawaii in providing access to clean water, and how do we balance the increasing demands on our water resources? Find the answers and have a chance to meet our career guests who work on these very important water issues.

Your participation and \$3 donation will change lives!

Registration Deadline is Feb. 24, 2012

To register, submit registration form and event waiver.

Forms and further information can be found at www.paachawaii.org

Cost: \$10, includes lunch and a \$3 donation to Charity: Water (\$3 donation is optional)
